_____

_____

***Due to Changes to Opioid Prescribing Regulations, in January 2017. The regulations contain new requirements related to prescribing opiates for acute episodes as well as for chronic, long term pain management. Some components are at the discretion of the prescribing provider while other requirements are situation-based**. **Drug test can be administered at least every six months or at the doctor's discretion.** If you would like more information on the new changes, just ask the Front desk.
